

PREVIEW QUESTION BANK

Module Name : ANIMAL SCIENCES-ENG
Exam Date : 14-Jul-2023 Batch : 10:00-12:00

Sr. No.	Client Question ID	Question Body and Alternatives	Marks	Negative Marks
Objective Question				
1	3001	<p>Find the correct answer from the following statements:</p> <p>Statement (I): Of the total households in the rural India, about 73% own livestock.</p> <p>Statement (II): Dairy farming and layer poultry farming are the sources of regular income due to daily production of sellable products.</p> <ol style="list-style-type: none"> 1. Both Statement (I) and Statement (II) are correct. 2. Both Statement (I) and Statement (II) are incorrect. 3. Statement (I) is correct but Statement (II) is incorrect. 4. Statement (I) is incorrect but Statement (II) is correct. <p>A1 : 1</p> <p>A2 : 2</p> <p>A3 : 3</p> <p>A4 : 4</p>	4.0	1.00
Objective Question				
2	3002	<p>Based on All India Livestock Survey 2012 & 2019 : Given below are two statements:</p> <p>Statement (I): There was about 12% increase of pigs in 2019</p> <p>Statement (II): There was about 17% decrease of poultry in 2019</p> <ol style="list-style-type: none"> 1. Both Statement (I) and Statement (II) are correct. 2. Both Statement (I) and Statement (II) are incorrect. 3. Statement (I) is correct but Statement (II) is incorrect. 4. Statement (I) is incorrect but Statement (II) is correct. <p>A1 : 1</p> <p>A2 : 2</p> <p>A3 : 3</p> <p>A4 : 4</p>	4.0	1.00
Objective Question				
3	3003		4.0	1.00

Give the correct answer based on following statements:

Statement (I): . Pashmina fibre is produced from Changthangi breed from Laddakh, and Chegu goats from Himachal Pradesh and Uttarakhand states.

Statement (II): Angora rabbit fibre is produced in limited quantity in Himachal Pradesh, Uttarakhand and Jammu and Kashmir states, and is also spun with sheep wool in different grades for making quality garments.

1. Both Statement (I) and Statement (II) are correct.
2. Both Statement (I) and Statement (II) are incorrect.
3. Statement (I) is correct but Statement (II) is incorrect.
4. Statement (I) is incorrect but Statement (II) is correct.

A1 : 1

A2 : 2

A3 : 3

A4 : 4

Objective Question

4	3004	<p>Who has made NBAGR, Karnal as 'Nodal Agency' in 2008 for the registration of new breeds of livestock and poultry species?</p> <ol style="list-style-type: none"> 1. Animal Husbandry Commissioner of India 2. University Grants Commission 3. IVRI, Izatnagar 4. ICAR, New Delhi <p>A1 : 1</p> <p>A2 : 2</p> <p>A3 : 3</p> <p>A4 : 4</p>	4.0	1.00
---	------	---	-----	------

Objective Question

5	3005	<p>A commonly accepted standard or ideal that combines those characteristics essential in adapting an animal for a particular purpose is called as –</p> <ol style="list-style-type: none"> 1. Strain 2. Type 3. Race 4. Conformation <p>A1 : 1</p> <p>A2 : 2</p> <p>A3 : 3</p> <p>A4 : 4</p>	4.0	1.00
---	------	---	-----	------

Objective Question

6	3006	<p>Find the correct answer based on following statements:</p> <p>Statement (I): Riverine buffaloes have 48 chromosomes, and these are distributed mostly as dairy breeds in India.</p> <p>Statement (II): Swamp buffaloes have 50 chromosomes, and these are distributed as Assamese and Manipuri breeds of North-East India.</p> <ol style="list-style-type: none"> Both Statement (I) and Statement (II) are correct. Both Statement (I) and Statement (II) are incorrect. Statement (I) is correct but Statement (II) is incorrect. Statement (I) is incorrect but Statement (II) is correct. <p>A1 : 1</p> <p>A2 : 2</p> <p>A3 : 3</p> <p>A4 : 4</p>	4.0	1.00
---	------	--	-----	------

Objective Question

7	3007	<p>Find the correct answer based on following statements:</p> <p>Statement (I): Development of a new breed 'Kashmir Merino' is a result of a large-scale introduction of 'Rambouillet' and 'Russian Merino' in Jammu and Kashmir over last 5 decades.</p> <p>Statement (II): Kashmir Merino has fine wool and is suitable under long migration.</p> <ol style="list-style-type: none"> Both Statement (I) and Statement (II) are correct. Both Statement (I) and Statement (II) are incorrect. Statement (I) is correct but Statement (II) is incorrect. Statement (I) is incorrect but Statement (II) is correct. <p>A1 : 1</p> <p>A2 : 2</p> <p>A3 : 3</p> <p>A4 : 4</p>	4.0	1.00
---	------	--	-----	------

Objective Question

8	3008	<p>Government Livestock Farm, Hisar developed 'Hisardale' breed of sheep by crossing Merino rams with ewes of which breed?</p> <ol style="list-style-type: none"> Chokla Nali Lohi Munjhal <p>A1 : 1</p> <p>A2 : 2</p>	4.0	1.00
---	------	--	-----	------

A3 : 3

A4 : 4

Objective Question

9	3009	<p>What is referred-to for the 'good livestock management and general supervision of activities at the farm'?</p> <ol style="list-style-type: none"> 1. Weeding 2. Seeding 3. Heeding 4. Sanitation <p>A1 : 1</p> <p>A2 : 2</p> <p>A3 : 3</p> <p>A4 : 4</p>	4.0	1.00
---	------	---	-----	------

Objective Question

10	3010	<p>How much maximum time a normal newly born calf takes to get up on his/ her legs?</p> <ol style="list-style-type: none"> 1. 15 minutes approx. 2. 30 minutes approx 3. 45 minutes approx 4. 60 minutes approx <p>A1 : 1</p> <p>A2 : 2</p> <p>A3 : 3</p> <p>A4 : 4</p>	4.0	1.00
----	------	---	-----	------

Objective Question

11	3011	<p>What of the followings could be called as 'True growth' of calf when fed on milk?</p> <ol style="list-style-type: none"> 1. 1 kg BW gain/ 1.09 kg DM of milk 2. 1 kg BW gain/ 1.39 kg DM of milk 3. 1 kg BW gain/ 1.59 kg DM of milk 4. 1 kg BW gain/ 1.79 kg DM of milk <p>A1 : 1</p> <p>A2 : 2</p> <p>A3 : 3</p>	4.0	1.00
----	------	---	-----	------

		A4 : 4		
Objective Question				
12	3012	<p>Find the correct answer based on following statements:</p> <p>Statement (I): On an average, the body weight of crossbred heifers at first service should be 300 to 350 kg.</p> <p>Statement (II): Attainment of proper body size and maturity is mainly controlled by nutritional regimen adopted.</p> <ol style="list-style-type: none"> Both Statement (I) and Statement (II) are correct. Both Statement (I) and Statement (II) are incorrect. Statement (I) is correct but Statement (II) is incorrect. Statement (I) is incorrect but Statement (II) is correct. <p>A1 : 1</p> <p>A2 : 2</p> <p>A3 : 3</p> <p>A4 : 4</p>	4.0	1.00

Objective Question				
13	3013	<p>Find the correct answer based on following statements:</p> <p>Statement (I): The heifer in heat will be awake and on feet quite ahead of other animals.</p> <p>Statement (II): Standing heat is the best sign of heat in buffaloes.</p> <ol style="list-style-type: none"> Both Statement (I) and Statement (II) are correct. Both Statement (I) and Statement (II) are incorrect. Statement (I) is correct but Statement (II) is incorrect. Statement (I) is incorrect but Statement (II) is correct. <p>A1 : 1</p> <p>A2 : 2</p> <p>A3 : 3</p> <p>A4 : 4</p>	4.0	1.00

Objective Question				
14	3014	<p>Find the correct answer based on following statements:</p> <p>Statement (I): Feeding in preparation to calving is called 'steaming-up'.</p> <p>Statement (II): 'Steaming-up' increases daily milk yield, lengthens lactation period and also increases butter fat percentage.</p> <ol style="list-style-type: none"> Both Statement (I) and Statement (II) are correct. Both Statement (I) and Statement (II) are incorrect. Statement (I) is correct but Statement (II) is incorrect. Statement (I) is incorrect but Statement (II) is correct. <p>A1 : 1</p>	4.0	1.00

A2 : 2

A3 : 3

A4 : 4

Objective Question

15	3015	<p>Which of the following statements is wrong/ irrelevant with respect to milking management of cows/ buffaloes?</p> <ol style="list-style-type: none"> 1. Animals are creatures of habit, so stick on to the time of milking 2. Letting down of milk occurs within 1 minute 3. Milking should be completed within 5 to 7 minutes 4. One should offer husky feed at the time of milking <p>A1 : 1</p> <p>A2 : 2</p> <p>A3 : 3</p> <p>A4 : 4</p>	4.0	1.00
----	------	---	-----	------

Objective Question

16	3016	<p>Which of the followings is not a consequence of incomplete milking of cow during late lactation?</p> <ol style="list-style-type: none"> 1. Cow may dry off soon 2. Lactation milk yield will be less 3. Udder infections may set in 4. Cow may abort the carrying foetus <p>A1 : 1</p> <p>A2 : 2</p> <p>A3 : 3</p> <p>A4 : 4</p>	4.0	1.00
----	------	---	-----	------

Objective Question

17	3017	<p>Which of the followings should not be the feature/ provision for setting the livestock farm?</p> <ol style="list-style-type: none"> 1. Availability of cheap and ample water but not the telecommunication facilities 2. High levelled topography with no abrupt slope 3. Porous soil with a gentle slope 4. Ensuring shelter from strong winds <p>A1 : 1</p> <p>A2 : 2</p>	4.0	1.00
----	------	--	-----	------

A3 : 3

A4 : 4

Objective Question

18	3018	<p>For Gir cows farm, what should be the optimum floor space requirement (covered and open area, respectively) per cow?</p> <ol style="list-style-type: none"> 1. 1.5 m² and 5.0 m² 2. 3.5 m² and 7.0 m² 3. 5.5 m² and 9.0 m² 4. 7.5 m² and 9.0 m² <p>A1 : 1</p> <p>A2 : 2</p> <p>A3 : 3</p> <p>A4 : 4</p>	4.0	1.00
----	------	--	-----	------

Objective Question

19	3019	<p>How much air would be introduced by a practically calm wind through an inlet into a building?</p> <ol style="list-style-type: none"> 1. 0.18 m³ air / cm² of inlet 2. 0.28 m³ air / cm² of inlet 3. 0.38 m³ air / cm² of inlet 4. 0.48 m³ air / cm² of inlet <p>A1 : 1</p> <p>A2 : 2</p> <p>A3 : 3</p> <p>A4 : 4</p>	4.0	1.00
----	------	---	-----	------

Objective Question

20	3020	<p>Find the correct answer based on the following statements:</p> <p>Statement (I): Light facilitates cleanliness since 'dirt unseen is dirt left undisturbed'.</p> <p>Statement (II): Light acts as material factor in the practice of hygiene but not a necessary pre-requisite for efficient management.</p> <ol style="list-style-type: none"> 1. Both Statement (I) and Statement (II) are correct. 2. Both Statement (I) and Statement (II) are incorrect. 3. Statement (I) is correct but Statement (II) is incorrect. 4. Statement (I) is incorrect but Statement (II) is correct. <p>A1 : 1</p> <p>A2 : 2</p>	4.0	1.00
----	------	--	-----	------

A3 : 3

A4 : 4

Objective Question

21	3021	<p>Find the correct answer based on the following statements:</p> <p>Statement (I): In sheep and goats, 1-8 corpus luteum are formed following ovulation depending upon breed and plane of nutrition.</p> <p>Statement (II): In cows and buffaloes following ovulation, the corpus luteum attains maximum size on day 11-12 of the cycle.</p> <ol style="list-style-type: none"> Both Statement (I) and Statement (II) are correct. Both Statement (I) and Statement (II) are incorrect. Statement (I) is correct but Statement (II) is incorrect. Statement (I) is incorrect but Statement (II) is correct. <p>A1 : 1</p> <p>A2 : 2</p> <p>A3 : 3</p> <p>A4 : 4</p>	4.0	1.00
----	------	--	-----	------

Objective Question

22	3022	<p>Which of the followings is not an accessory sex gland in bull?</p> <ol style="list-style-type: none"> Preputial glands Seminal vesicles Prostate gland Bulvo-urethral gland <p>A1 : 1</p> <p>A2 : 2</p> <p>A3 : 3</p> <p>A4 : 4</p>	4.0	1.00
----	------	--	-----	------

Objective Question

23	3023	<p>At what stage, dairy cattle attain puberty?</p> <ol style="list-style-type: none"> On attaining 25-30% of mature body weight On attaining 35-45% of mature body weight On attaining >50% of mature body weight On attaining >65% of mature body weight <p>A1 : 1</p> <p>A2 : 2</p>	4.0	1.00
----	------	---	-----	------

A3 : 3

A4 : 4

Objective Question

24	3024	<p>In cows, which phase of oestrus cycle is of shortest and of longest duration?</p> <ol style="list-style-type: none"> 1. Oestrous and Dioestrus, respectively 2. Oestrous and Metestrus, respectively 3. Proestrus and Dioestrus, respectively 4. Proestrus and Metestrus, respectively <p>A1 : 1</p> <p>A2 : 2</p> <p>A3 : 3</p> <p>A4 : 4</p>	4.0	1.00
----	------	---	-----	------

Objective Question

25	3025	<p>When did Govt. of India launch 'Technology Mission on Dairy Development'?</p> <ol style="list-style-type: none"> 1. 1986 2. 1988 3. 1990 4. 1992 <p>A1 : 1</p> <p>A2 : 2</p> <p>A3 : 3</p> <p>A4 : 4</p>	4.0	1.00
----	------	---	-----	------

Objective Question

26	3026	<p>What is the correct decision in a hypothesis if the data produce a t-statistic that is in the critical region?</p> <ol style="list-style-type: none"> 1. Reject H0 2. Fail to reject H0 3. Reject H1 4. Fail to reject H1 <p>A1 : 1</p> <p>A2 : 2</p> <p>A3 : 3</p>	4.0	1.00
----	------	--	-----	------

		A4 : 4		
Objective Question				
27	3027	<p>What effect would increasing the sample size have on a confidence interval?</p> <ol style="list-style-type: none"> 1. The confidence interval would increase in size. 2. The confidence interval would decrease in size. 3. The confidence interval is unaffected by sample size. 4. The confidence interval would become zero. <p>A1 : 1</p> <p>A2 : 2</p> <p>A3 : 3</p> <p>A4 : 4</p>	4.0	1.00
Objective Question				
28	3028	<p>Suppose, the correlation between height and weight is +0.80. What proportion of the variability in weight can be explained by the relationship with height?</p> <ol style="list-style-type: none"> 1. 20% 2. 36% 3. 64% 4. 80% <p>A1 : 1</p> <p>A2 : 2</p> <p>A3 : 3</p> <p>A4 : 4</p>	4.0	1.00
Objective Question				
29	3029	<p>R^2 is the notation for</p> <ol style="list-style-type: none"> 1. The coefficient of correlation 2. The coefficient of determination 3. The coefficient of variation 4. The coefficient of regression <p>A1 : 1</p> <p>A2 : 2</p> <p>A3 : 3</p> <p>A4 : 4</p>	4.0	1.00

Objective Question

30	3030	<p>In a linear regression equation of y on x, what does a slope of 2.5 indicate?</p> <ol style="list-style-type: none"> 1. For every increase of 2.5 on the y-axis, there is an increase of 5.0 on the x-axis. 2. For every increase of 2.5 on the x-axis, there is an equivalent increase on the y-axis. 3. For every increase of 1.00 on the x-axis, there is an increase of 2.5 on the y-axis. 4. For every increase of 1.00 on the y-axis, there is an decrease of 2.5 on the x-axis. <p>A1 : 1</p> <p>A2 : 2</p> <p>A3 : 3</p> <p>A4 : 4</p>	4.0	1.00
----	------	---	-----	------

Objective Question

31	3031	<p>Given below are two statements:</p> <p>Statement (I): As per the 20th Livestock Census, 36.04% of the livestock population in India belongs to cattle.</p> <p>Statement (II): As per the 20th Livestock Census, the Exotic and Crossbred animals contribute nearly 26.5% of the total Indian cattle population.</p> <p>In light of the above statements, choose the <i>most appropriate</i> answer from the options given below.</p> <ol style="list-style-type: none"> 1. Both Statement (I) and Statement (II) are correct. 2. Both Statement (I) and Statement (II) are incorrect. 3. Statement (I) is correct but Statement (II) is incorrect. 4. Statement (I) is incorrect but Statement (II) is correct. <p>A1 : 1</p> <p>A2 : 2</p> <p>A3 : 3</p> <p>A4 : 4</p>	4.0	1.00
----	------	--	-----	------

Objective Question

32	3032	<p>Given below are two statements:</p> <p>Statement (I): Punganur and Belahi have the lowest population among all the Indian cattle breeds according to Breed-wise report of Livestock and Poultry (based on 20th Livestock Census).</p> <p>Statement (II): According to Breed-wise report of Livestock and Poultry (based on 20th Livestock Census), Murrah and Surti have the highest population among all the Indian buffalo breeds.</p> <p>In light of the above statements, choose the <i>most appropriate</i> answer from the options given below.</p> <ol style="list-style-type: none"> 1. Both Statement (I) and Statement (II) are correct. 2. Both Statement (I) and Statement (II) are incorrect. 3. Statement (I) is correct but Statement (II) is incorrect. 4. Statement (I) is incorrect but Statement (II) is correct. 	4.0	1.00
----	------	---	-----	------

Objective Question

38 3038

4.0 1.00

Which of the followings is NOT involved in translation?

1. Amino acids
2. DNA
3. mRNA
4. rRNA

A1 : 1

A2 : 2

A3 : 3

A4 : 4

Objective Question

39 3039

4.0 1.00

Match **List-I** with **List-II**

List-I	List-II
Breed of Cattle	Place of Origin
(A). Tharparkar	(I). UP
(B). Bachaur	(II). MP
(C). Malvi	(III). Bihar
(D). Kherigarh	(IV). Rajasthan

Choose the **correct** answer from the options given below:

1. (A) - (I), (B) - (II), (C) - (III), (D) - (IV)
2. (A) - (I), (B) - (III), (C) - (II), (D) - (IV)
3. (A) - (I), (B) - (II), (C) - (IV), (D) - (III)
4. (A) - (IV), (B) - (III), (C) - (II), (D) - (I)

Objective Question

40 3040

4.0 1.00

Suppose, a white-furred rabbit breed is crossed with a black-furred rabbit breed and produces gray fur offsprings. What does the gene for fur color in rabbits appear to be an example of?

1. Mosaicism
2. Codominance
3. Incomplete dominance
4. Complete dominance

A1 : 1

A2 : 2

A3 : 3

A4 : 4

Objective Question

41	3041	<p>Given below are two statements: Statement (I): Genetic disorders are caused by mutations. Statement (II): Achondroplasia is the example of environmental defect in cattle.</p> <p>In light of the above statements, choose the <i>most appropriate</i> answer from the options given below.</p> <ol style="list-style-type: none"> 1. Both Statement (I) and Statement (II) are correct. 2. Both Statement (I) and Statement (II) are incorrect. 3. Statement (I) is correct but Statement (II) is incorrect. 4. Statement (I) is incorrect but Statement (II) is correct. <p>A1 : 1</p> <p>A2 : 2</p> <p>A3 : 3</p> <p>A4 : 4</p>	4.0	1.00
----	------	--	-----	------

Objective Question

42	3042	<p>If a man and a woman are heterozygous for a gene, and if they have three children, what is the chance that all three will also be heterozygous?</p> <ol style="list-style-type: none"> 1. 1/8 2. 2/8 3. 3/8 4. 3/4 <p>A1 : 1</p> <p>A2 : 2</p> <p>A3 : 3</p> <p>A4 : 4</p>	4.0	1.00
----	------	---	-----	------

Objective Question

43 3043

4.0 1.00

If four calves are born on a given day. What is the chance that all four will be females?

1. $1/4$
2. $1/8$
3. $1/2$
4. $1/16$

Given below are two statements:

Statement (I): *Drosophila* flies with 3X: 3A chromosomes are normal females.

Statement (II): *Drosophila* flies with 3X: 2A chromosomes are metafemales.

In light of the above statements, choose the *most appropriate* answer from the options given below.

1. Both Statement (I) and Statement (II) are correct.
2. Both Statement (I) and Statement (II) are incorrect.
3. Statement (I) is correct but Statement (II) is incorrect.
4. Statement (I) is incorrect but Statement (II) is correct.
