Read the passage carefully and answer the question that follows.(Q01–Q05)

Lizard island is only 30km off the far North Queensland coast and 250km north of Cairns, the northern-most city in north-eastern Australia. The 1,012-hectare island is spectacularly rugged with vegetation ranging from grassland to rainforest and encompassing pandanus swamp, eucalypt woodland and mangroves. The most recent discoverers of this island were Sir Sydney Williams and another north Queensland businessmen, Mr. John Wilson, now a Brisbane share-broker. For several years from 1968, they camped on lizard island for annual fishing holidays and in 1974, after obtaining a Queensland government lease with other businessmen, built four cabins for guests. In the next step of development in 1978, they raised the number of bungalows to eight, then to fifteen in 1982, and in 1984, ultimately the complex was bought by the Queensland State Government Insurance office.

The island is consistently visited by those who seem to be quite carefull about their health. Each has all the facilities expected in such an elegant resort including well-stocked minibar. It is because of this that Australian Prime Ministers for a decade or so have taken heed, as they constantly retreat to this island to rest, relax and lick the wounds of office. Since this island attracts people from all over the world, most of the time it remains packed. One of the island resort's founders, Queensland aviation pioneer, Sir Sydney Williams, affirms that a sturdy Arab Sheikh once came ashore from a chartered luxury yacht and tried to book a suite for the night. When told the place was full he hastily produced a cheque book and offered to buy it.

Match List I with List II :

	List I Mating		List II Coefficient of relationship
(A)	Sire to daughter mating	(I)	0.0625 or 6.25 %
(B)	Half Sid mating	(II)	0.50 or 50 %
(C)	Single first cousin mating	(III)	0.25 or 25 %
(D)	Half first cousin mating	(IV)	0.125 or 12.5 %

Choose the correct answer from the options given below :

(1) (A)-(II), (B)-(III), (C)-(IV), (D)-(I)
(2) (A)-(I), (B)-(II), (C)-(III), (D)-(IV)
(3) (A)-(IV), (B)-(III), (C)-(II), (D)-(I)
(4) (A)-(III), (B)-(IV), (C)-(I), (D)-(II)

नीचे दो कथन दिए गए हैं: एक अभिकथन (Assertion A) के रूप में लिखित है तो दूसरा उसके कारण (Reason R) के रूप में;

अभिकथन A : गहन पशुधन विकास योजना (ICDP) को 1965 में प्रमुख ग्रामीण योजना (KVS) के स्थान पर लाँच किया गया था।

कारण R : ICDP को शुरु करने का उद्देश्य दुग्ध उत्पादन में वृद्धि और पशुधन विकास के दूसरे पहलू जैसे प्रजनन, भोजन, स्वास्थ्य की देख भाल और प्रसार गतिविधियों तथा विपणन गतिविधियों था।

उपरोक्त कथन के आलोक में, नीचे दिए गए विकल्पों में से सबसे उपयुक्त उत्तर का चयन कीजिए

(1) A और R दोनों सही हैं और R, A की सही व्याख्या है।

(2) A और R दोनों सही हैं, लेकिन R, A की सही व्याख्या नहीं है।

(3) A सही हैं, लेकिन R सही नहीं है।

(4) A सही नहीं हैं, लेकिन R सही है।
